Book Comments: As a Catholic, what do you think of the Bible? Do you feel drawn to the Bible, and yet somewhat intimidated by it? When you try to

read the Bible, do you soon become discouraged by its many difficult passages, by page after page of strange names, by the stories that seem unrelated to your life today, or by the frequent portrayal of unfamiliar customs and practices? Perhaps the sheer size of the book is overwhelming. This revised and expanded edition of *A Catholic Guide to the Bible* will help you overcome such obstacles. Following this “guided tour” through the pages of Scripture will require some time and effort. But it will be well worth it. With this book as your guide, the Bible can become a treasured companion, a friend on your journey through life.
