

For families with a lot of time...

- Make a trip to see Sacred heart Cathedral. Use the website above as a map for your tour, but also be sure to pick up a brochure at the Cathedral that talks about the Cathedral itself. Be sure to see the night sky in the Eucharistic chapel!
- Spend some time talking about the upcoming Sunday Scripture. Go to this website and click on the date for the upcoming Sunday.

- Spend some time taking about the prayers you prayed as a child. Explain why they were important to you. Go to beliefnet.com for the text of several Catholic prayers and commit to praying one of them together every night for a month.
